Situational Judgement Test (SJT)

Friday 6\textsuperscript{th} December 2019 / Monday 6\textsuperscript{th} January 2020

foundationprogramme.nhs.uk
twitter: @UKFPO
The SJT is a measure of meeting the attributes required to be a foundation doctor, as defined in the national FP personal specification.

It is not an assessment of your clinical knowledge.

All applicants are required to sit the SJT, including AFP applicants and defence deanery.

Reasonable adjustments.

Extenuating circumstances.
Situational Judgement Test (SJT)

- Invigilated test
- 70 questions
- 2 hours 20 minutes
- ID checked, no smart watches and no removal of papers
- Scores marked national and translated to a 0 – 50 point scale
- Practice papers, OMR answer sheet and resources, available on UKFPO website
You cannot update your preferences from within the application form once it has been submitted and click update preferences.

DECLARATION

Please read and confirm the following declaration and tick each box to confirm each statement.

I confirm that I am aware that providing any false or misleading information on my application form or any related document will result in the withdrawal of the offer of a foundation programme, offer of employment or in the termination of employment and may involve referral to the General Medical Council (GMC). (*)
Special Circumstances

- Four criteria: 1) parent or legal guardian, 2) primary carer, 3) medical condition, 4) unique circumstances
- Applications to medical schools and national panel
- Situation must be relevant at the time of application
- Requested foundation school must be ranked first
- Not applicable for AFP
- Applicants cannot link
National Allocation

➢ Applicants will be allocated in rank order

➢ If all the places are filled at your first choice foundation school, the system will look at your second choice, and so on down your list of preferences until a space is available

➢ Linked applicants will be allocated based on the lower rank of the linked pair

➢ Your allocation results will only be released once you have completed the online survey
Primary / Reserve List Allocations

**Primary List**

If there are more FP applicants than vacancies, the ‘n’ highest scoring applicants will be placed on the primary list (where ‘n’ is the number of vacancies across the UK).

Applicants on the primary list will be asked to rank groups and programmes. The same matching programme to allocate posts.

**Reserve List**

If, as anticipated, there are more fully eligible applicants than places, applicants who are not allocated to the primary list will be placed on a reserve list and will be allocated in batches on predetermined dates. Reserve list applicants will be asked to preference posts available at that time.
Supporting Trainees Entering Practice (STEP)

- Supports transition from medical school to foundation training; two-way transfer
- Health and welfare, educational progress and professional performance, and patient safety
- Students complete STEP form
- Medical school endorses information
- Separate process for F1 to F2
Employment

Employer Responsibilities: -

➢ Pre-employment checks, including occupational health and references
➢ Pay
➢ Banding
➢ Rotas
➢ Contract of employment
➢ Accommodation (if applicable)

Useful Tips

➢ Read the Applicants’ Handbook
➢ Start collecting evidence of additional educational achievements
➢ Make use of SJT practice papers
➢ Identify an academic referee

➢ ALLOW PLENTY OF TIME TO COMPLETE AND SUBMIT YOUR APPLICATION. LATE APPLICATIONS WILL NOT BE CONSIDERED.
Frequently Asked Questions (FAQs)

➢ Must register under ‘foundation’ staff group on Oriel to access application
➢ Only one document upload for EA
➢ Referee details can be amended once applications have been submitted
➢ Preferences can be amended
➢ No changes to other sections
Foundation Priority Programmes (FPP)

- Opportunity to apply for priority programmes
- Incentives such as free accommodation, master’s qualifications (please visit foundation school websites)
- Separate application (same application window)
- Rank individual programmes earlier
- Offers prior to national FP allocation
- If you accept an FPP offer, your FP application will be withdrawn
Academic Programmes

➢ Research, teaching and/or medical leadership and management skills

➢ Explore academia as a career at the same time as developing their clinical and generic skills

➢ Academic supervisor
AFP Applications

➢ Applicants will need to apply to each AUoA (up to a maximum of two) separately.

➢ Each AUoA will determine what information it wishes to receive from its applicants which will consist of educational achievements and white space questions.

➢ Scoring criteria will be determined locally and may vary across the different AUoAs.

➢ You cannot submit AFP applications until you have submitted an application to FP application.
Preferences

• You will need to preference the Academic programmes available in each AUoA you select before you can submit your application.

• You do not need to preference all the programmes if there are some that you know you will not accept.

• However, the fewer programmes you preference, the lower your chance of receiving an AFP offer.

• Highest scoring AFP applicants will receive offers first from each AUoA.

• If higher scoring applicants decline these offers, they will then be offered to lower scoring applicants during the cascade process.
Selection

AUoAs shortlist and interview applicants within the nationally agreed timeframe

AFP match ranking score = educational / academic decile + AUoA score

AUoA score determined locally

Matching applicants to specific programmes will be managed by the AUoA via Oriel

All AFP offers are subject to a satisfactory SJT score
